Maximize weight storage without sacrificing space with our compact Change Plate Storage Unit. Designed to hold 2.5, 5, and 10 lb change plates, this streamlined unit attaches with a single bolt and takes up less space on the upright than three separate pegs. Built-in storage tabs keep plates organized, while the 3-degree upward angle on each peg ensures even the lightest plates stay secure—no matter how hard you re-rack.

FEATURES

Holds 2.5, 5 and 10 LBS plates
