Made In Usa	Yes

The Custom Crossmember Brackets are sold only in Pairs and were designed to allow customers to make a Crossmember at a custom length by pairing a 3x3 tube with and custom crossmember bracket. The slotted bracket allows customers to create a custom length crossmember to connect different brand 1" hole 3x3" racks or our ATR units to other brand racks. Each Bracket comes with the Hardware shown in the rendering. The price shown is for 2 brackets and bolt assemblies.

FEATURES

Connect different Brand 3x3 Uprights with Universal Bracket Connected to Rouge Monster Upright Universal Bracket Connected to Stray Dog Upright
