Height	11"
Width	41"
Depth	24"
Weight	33 LBS
Foot Print	11" x 41" x 24"
Made In Usa	Yes

We designed our Hex Bar storage with a bolt-together design for cheaper shipping and open ends allowing the end of the bar to hover over the ground and not get banged up in a bar sleeve. The holes have 4.5" between them making them 7" apart on center which allows for 6 hex bars to be stored without having to skip any holes. Does not accommodate monster hex bars with handles over 4.5" high.

FEATURES

Bolt down tabs

Bolt together construction

Bars don't touch ground
