Our Movable Storage Hooks have been a great seller for us and many customers have asked for a bigger hook to store specialty barbells or a bunch of bands, clips, chains ect so we did. The Large Storage Hook has two gravity slit tabs for 1" holes spaced 2" on center (we do not make a 5/8" version). They are made of Stainless Steel and do not have a painted finish. They are sold in pairs and are not available individually.
