The Rack Junk Bin makes it easy to organize your training space and keep essential gear within reach. It attaches securely to any rack with 1" or 5/8" holes using a single bolt thanks to the anti rotation tabs. Four external storage fingers on the sides provide the perfect spot for hanging bands, collars, or straps, while the 6" x 12" main basket offers a 4" depth to store anything you want to keep at the rack station.
