The Spud Inc. Pillow Belt Squat Belt is designed to fit lifters of all sizes with a simple, quick-adjust strap system. Built from heavy-duty webbing with integrated padding, it provides the durability needed for the heaviest belt squat loads while maintaining the comfort required for high-volume training. The wide, cushioned design helps distribute pressure evenly, allowing you to train hard without sacrificing comfort.

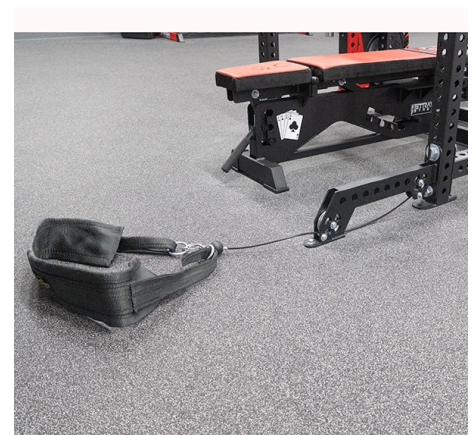

FEATURES

Thicker part on hip contact points

Thick yet flexible webbing

Attaches with Carabiner
