

Cable Column Attachment

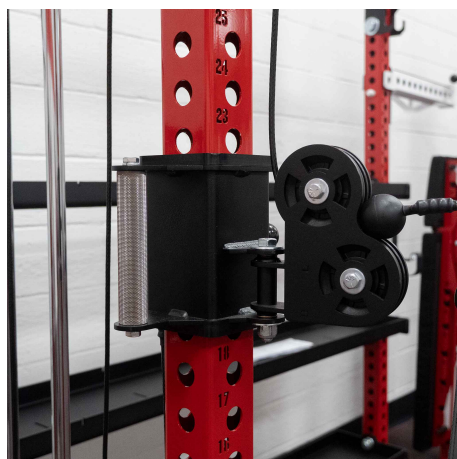

SPECS

Material Tubing	3x3 11 Gauge
Height	100"
Width	3"
Depth	36"
Weight	200 or 250 LBS stack
Foot Print	100" x 36" x 3"
Made In Usa	Yes

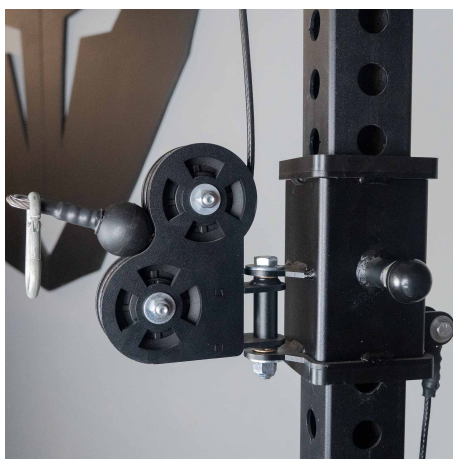

Our Cable Column Attachment is a space-saving design that allows you to add a cable column inside a Stray Dog Strength rack or ATR Frame. The Trolley goes directly on the upright and can be moved up out of the way to add bar cups and spotter arms for barbell movements. By adding two Cable Column Attachments you can create a 43" Functional Trainer inside a half rack without losing any functionality.

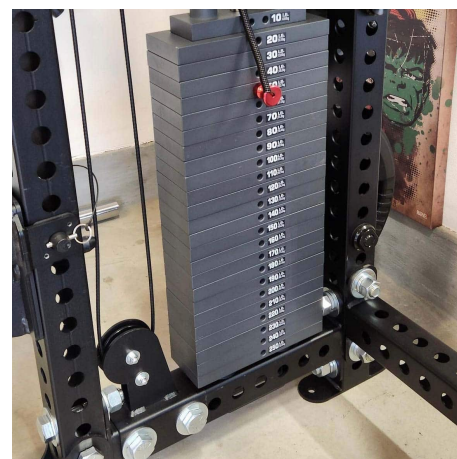

FEATURES

Stainless Steel Knurled Handle

Pull Pin Adjustment

Add to 20" or 30" Crossmembers
