Foot Print	3.5"X 24"X 13"
Made In Usa	Yes

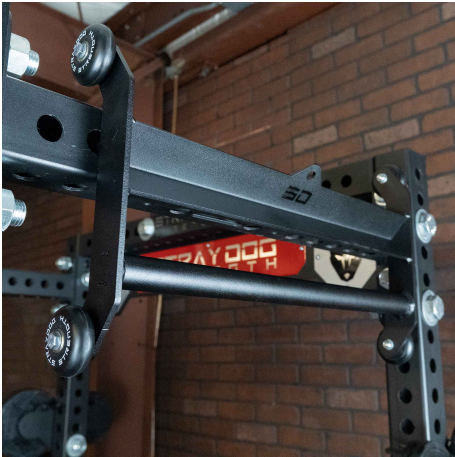

Our Glute Ham Roller has multiple improvements from the standard design sold across the market. We added a hole for carabiners for band assistance or resistance, added storage tabs, removed one of the two round bars and raised the bar up so your knuckles will not drag. If your rack doesn't have 1" holes, the storage tabs will not work but you can store them on our Glute Ham Roller Storage Cart.

FEATURES

Laser Cut Logo and Carabiner hole

Built in storage tabs for 1" Crossmembers

Raised up 1.325" for hands
