Our Stability Ball Storage system mounts to any crossmember with 1" holes, offering a clean, space-saving solution for organizing stability balls of nearly any size. The angled arms keep balls securely in place and off the floor, helping maintain a tidy and efficient training space. Ideal for weight rooms, training centers, or anywhere space is limited. Included with our Pro Basketball Storage Cart or available as a standalone attachment.

FEATURES

Bolt to 3x3" Tubing with 1" Holes

Fits Stability Balls
