The VertiMax Raptor unit is a revolutionary, rack attached resistance training system that allows athletes to increase speed, power, first step quickness and overall athletic ability. These are similar to the popular Vertimax platform but are in a smaller rack attached package. The price includes a custom Laser Cut Logo, Vertimax Raptor Unit, Mount for a 1" hole rack and a pack of Vertimax Attachments to use the unit.

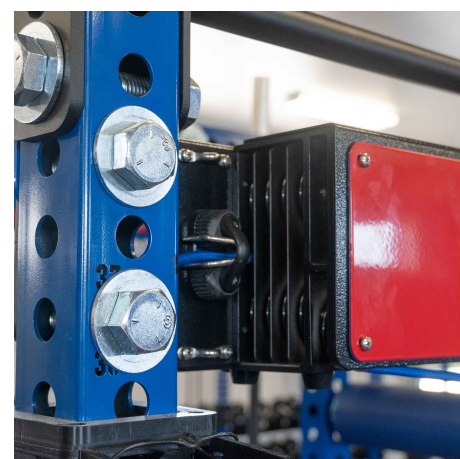

## FEATURES

Custom Logo Included

Mount to 49" Wide Racks

Bracket for 1" hole Racks
