Weight	20 LBS (40 LBS Pair)
Foot Print	45" x 5" x 18"
Made In Usa	Yes

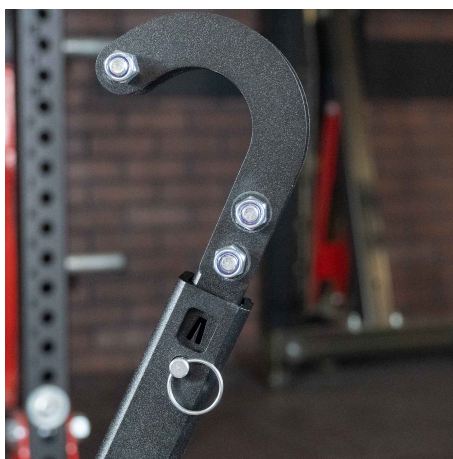

Our weight releasers are heavy-duty, adjustable steel hook attachments which are designed to preload/overload the eccentric portion of a lift, creating greater explosiveness on the concentric end. The base portion of each unit can be loaded with standard Olympic plates, and can be set at 14 height positions using the telescoping, Hitch pin system that has a window to show the laser cut letters to mark position.
