HEIGHT	96"
WIDTH	49"
DEPTH	71"
WEIGHT	1567 Pounds depending on package
FOOT PRINT	96" x 49" x 71"
MADE IN USA	YES

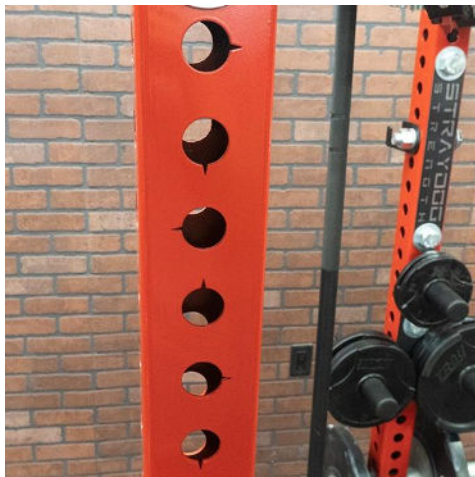

FEATURES

The Triad rack is Patent Pending for its 3-post Triangular construction which is more efficient as it uses less parts and takes up a smaller footprint. Triad Racks can have Rack Mounted Machines added to them off the side of the back middle post which does not increase the footprint of the unit or you can add them off the back which adds 23" to the footprint.
